

PMC SPECIALTY PROGRAM

# Staffing Services Workers' Compensation

## Workers' Compensation Solutions for Your Ever-Changing Needs

A partnership with PMC gives you a competitive advantage through our proprietary StaffPRO<sup>3</sup> program.

Our Staffing Services experts have in-depth underwriting and risk management experience; we know how to reduce your second largest expense.

Our best practice assessments help manage class codes, improve cash flow, reduce costs, and increase ROI.

We're on-call to help your retail agent with consultations, quick answers, access to the most direct carriers, and creative solutions. We deliver more options for you.

### PMC PayGo

PMC PayGo is a unique web-based software platform which calculates, collects and remits insurance premiums based on actual payrolls rather than annual estimates. This easy-to-use system takes the guess work out of the year-end audit.

- Flexible Payment Options
- Online Platform for payroll entry
- Low to no upfront down payments

### Resource Center

The PMC Resource Center is a web based portal full of safety, risk management, and consulting tools created to enhance your business' risk prevention efforts. Providing access to claims advocacy, loss control and safety mechanisms, and more, this portal offers risk management services at your fingertips.

- Best Practice Assessments
- Staffing Specific Resources Tools and Forms
- Risk Management Webinars & Action Plans
- Safety Trouble Shooting and much more!
