PMC SPECIALTY PROGRAM

Construction Services Workers' Compensation

Your Single Source for Workers' Compensation Solutions

PMC helps independent insurance agents place Workers' Compensation for commercial and residential artisans, construction companies, general contractors and developers.

We leverage deep relationships with our carrier partners, their underwriters and executives for access to markets and industry specific programs.

With multi-line products available to support the placement of Workers' Compensation, quick response, expertise and creative solutions, you can deliver more options and achieve better outcomes.

Work with PMC for a competitive advantage. **Contact us today.**

Dedicated Account Management

Your success is our success.

As an extension of your account management team, our objective is to make your job as easy as possible.

Your team members will not only help you throughout the submission and binding process, they will be there with policy support and trend analysis, so you are fully prepared for your renewals well in advance.

At PMC we are committed to working for you - **when you win, we all win.**
