PMC SPECIALTY PROGRAM

Locum Tenens Workers' Compensation

The Simple Solution to a Complex Problem

The PMC Locum Tenens Program recognizes the importance of maintaining the independent status of an **independent contractor** or **sole proprietor** in the medical field. Whether your client is a physician needing to show Workers' Compensation coverage for their role in a short or long-term temporary assignment or they are a healthcare facility in search of security for ensuring its

independent physicians have Workers' Compensation coverage in place, PMC has your solution. Our flexible program offers comprehensive, all-in-one Workers' Compensation protection directly to physicians, or it can be developed to cover Locum Tenens placement agencies - all at an affordable cost and with full coverage terms.
