PMC SPECIALTY PROGRAM

Crane & Rigging Workers' Compensation

Your Single Source for Workers' Compensation Solutions

When you need Workers' Compensation coverage for customers focused on **Crane & Rigging**, our team of placement specialists is here to help.

With deep industry experience, we can place coverage nationwide for a wide range of needs – from crane operations, bridges and concrete construction, to iron and steel building erection, riggers, millwrights, USL&H and more.

Work with our team for guidance and gain access to our **exclusive national program** along with additional Limited Distribution carriers - all A.M. Best A rated.

What's more is you can count on us for quick responses and fast ratings to help you remain competitive, deliver the best possible coverage solutions, and achieve better outcomes. **Contact us today!**
